9. IHSAA Athletic Directors Advisory Committee
   - Use of unlicensed officials’ $500 fee. Double-check officials, even when using an assignor. Doublechecking should be done through the IHSAA view on Arbiter
     - Majority were not double-checking using IHSAA view previously
• Rule 19-6.1n transfer rule allowing eligibility for child of parent accepting a licensed position. Has anyone had any dealing with this yet?
  • *Not many cases so far, but no issues*
• Past link rule anyone have one of these come up yet?
  • *3 cases currently underway (1 swimming, 2 wrestling)*
• Freshman volleyball rule finishing in a 1-1 tie. Has anyone done this? Response from community?
  • *No one raised their hands to confirm that they had used this rule yet.*
• Drone policy - there have been some issues arising from the use of drones at football games. Anyone experienced this?
  • *No issues with drones at this point.*
• Arbiter we have all had a lot of issues and have been promised a lot by arbiter in the past. Ed Sullivan is working behind the scenes to try and develop a solution to the problem. More information on that will come when he is ready to start testing
  • *Issues with Arbiter are the same that we have been experiencing for years: slow, inaccurate data due to lack of use by ADs and officials.*
• Coaches Education share experiences with this in its first year
  • *Smooth transition for nearly all.*

10. Physical Exam update: April 1 is the set date (could change eventually)

11. IHSAA Items From Sandra Walter, Assistant Commissioner
  • Sportsmanship
    i. Issues brought up:
      1. *Too punitive.* Difficult it is to earn points back once you have a fan/coach ejected.
      2. *Officials not understanding it.* It appears that some officials are quick to react and don’t really understand how much it impacts the schools. This is not to say that inappropriate behavior shouldn’t be met with punishment, but that better judgment could be used as to what qualifies as a reason for ejection.
      3. *It isn’t equitable.* Schools who offer all IHSAA sports are at a disadvantage because of the number of opportunities for someone to lose points and only gain 1 back.
      4. *Other ways to earn points.* Conference sportsmanship days, sportsmanship-related activities in the school should also be able to earn points back for the school.
